

## **Summer Reading: English 10A (MYP Language & Literature) 2016-17**

An integral part of the UNIS Hanoi English and World Languages Department is our focus on the Independent Reading Programme. Upon returning in **August** you need to have completed the summer reading programme as outlined below.

### **PART ONE:**

Read the following short stories from *Between the Assassinations* by Arivand Adiga, winner of the 2008 Man Booker Prize for Literature:

Day One (Afternoon): The Bunder

Day Two (Afternoon): St. Alfonso's Boys' High School and Junior College

When you return to school you will be required to complete several written tasks based on these stories.

### **PART TWO:**

Read at least one book that is at least 150 pages in length. This should be a book written at a high level. So, select something that interests you, but also something that CHALLENGES you. Why? It will make you smarter and a better person.<sup>1</sup>

**Upon returning to school in August, you should be prepared to discuss and respond to both parts of the reading programme.**

**Enjoy!**
