

## Summer Program for Incoming Grade 12s Language and Literature HL/SL (Year 2)

### Preparation for Part 3 of Course (HL & SL)

Students are to read *Season of Migration to the North* by Tayeb Salih, *The Awakening* by Kate Chopin (HL and SL), and *Maus I* by Art Spiegelman (HL only) in preparation for Part 3: Text in Context study.

You will be provided with the texts before you leave school –so plan on transporting them wherever you may be over the holidays (do not lose them!). You may write on texts if you want to buy them.

### Preparation for Language: Part 1 and 2

Please choose two language texts to read over the summer.

One must be a longer work of literary non-fiction. See the following link for suggestions of great texts that qualify as quality.

[The Greatest Books: Non-fiction](#)

The other text is an audio-visual text that deals with humor. It can be something you think is funny, should be at least 2 minutes in length, must be in English, and have a visual component.

### Preparation for Life

Please listen **very carefully** something you truly enjoy: an album, a song, a concert, your mom's style of telling a story, a speech, a movie, a TV show. Really listen. Listening is hearing x thinking™. I want you to be ready to share something you listened to that made you understand life better.

***Happy reading and have a great summer! See you in August***
