Dear New Middle and High School Families,

It gives me great pleasure to welcome you to the United Nations International School of Hanoi! We are here to support your children by providing a high quality educational programme designed to promote both academic and personal growth.

I am pleased that you have chosen UNIS Hanoi and hope your family will enjoy an enriching experience! Having moved quite a few times over my career in international education I understand both the excitement and challenges that come with moving to a new country and school. Rest assured that I along with the entire UNIS Hanoi faculty and staff will try our very best to make your transition as smooth as possible.

At the heart of a UNIS Hanoi education is a commitment to the highest levels of teaching and learning. UNIS Hanoi attracts a faculty of highly qualified and dedicated teachers whose knowledge of their craft and commitment to their students are central to our success. Our over-arching aim is to instill in students the qualities embodied in the IB Learner Profile: communicators, open-minded, principled, inquirers, knowledgeable, thinkers, caring citizens, risk-takers, balanced and reflective.

All of us at UNIS Hanoi look forward to working with your entire family. Our student body is extremely friendly and outgoing so please encourage your children to be open to new friendships, participate in activities, and study hard!

I truly look forward to meeting you in the very near future. In the meantime, if you have any questions or concerns please feel free to contact me and I will be more than happy to offer my assistance.

Warm regards,

**Pete Kennedy**
