UNIS GOVERNANCE DOCUMENTS: An Introduction

UNIS Foundation Documents

The United Nations International School (UNIS) was established under a 1988 Memorandum of Understanding (MOU) between the Government of Viet Nam and the United Nations Resident Coordinator on behalf of the international community¹. The MOU required UNIS to adopt a Constitution. A Certificate of Incorporation for UNIS was issued 7th April 1989, and amended 14th December, 1999.

The UNIS **Constitution** was first adopted in September 1989, and was last amended 21st May 2013. The **Constitution** is the principal governance document for the School, providing an overarching framework, fundamental rules and principles that form the foundation for the School's stability. The Board is responsible for upholding the Constitution and can amend it, subject to the defined amendment process. The United Nations Resident Coordinator in Viet Nam may exercise veto rights over proposed constitutional changes in order to ensure that the United Nations character of the school is maintained.

Current Governance Documents

Current governance documents guiding the work of the Board and the School are as follows:

- A. **UNIS Constitution** (Adopted September 1989 and last amended 9th April, 2013).
- B. **UNIS School Policy Document (SPD)**. (Adopted June 2009, last revised 2nd June 2020. School policies are directives adopted by the Board on the purpose, direction, or limitation, which serve as parameters within which the School operates that enable the School to achieve its mission. School policies guide the School administration and other stakeholders as to the Board's official intent or position on a given issue.
- C. **UNIS Board Operating Regulations (BOR)** (First approved March 2010, last revised 2nd June 2020. The BORs are approved by the Board to govern the way the Board operates.
- D. **School Operating Regulations (SOR) under development**. The SORs are prepared and approved by the HOS to provide detail on how school policies are to be implemented.

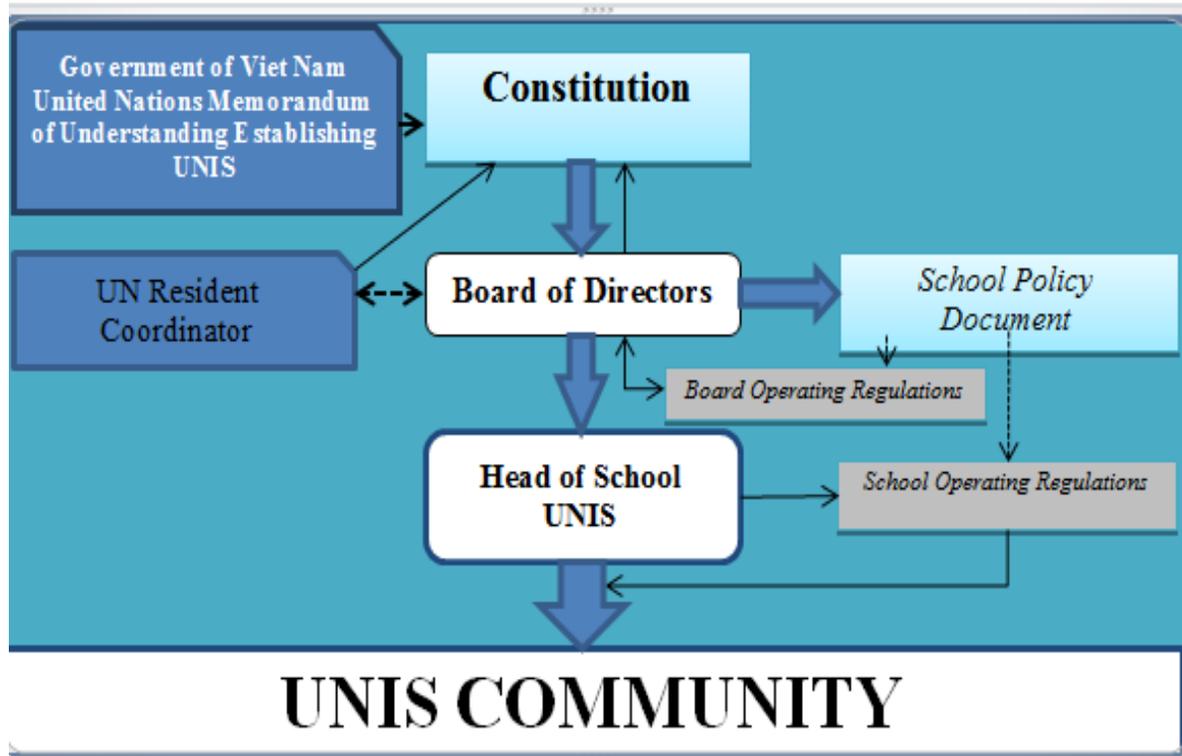

1

The Government decision underpinning the MOU is Ministry of Education Decision No. 373 (7th June, 1988). The MOU between the Vietnamese Ministry of Education and the United Nations Resident Coordinator was signed 20th June, 1988. These two documents constitute the agreement with the Vietnamese Government for UNIS to be founded.
