Xin chào! Chào mừng bạn đến với UNIS Hanoi!
Hello and Welcome to UNIS Hanoi!

We are delighted that you have chosen UNIS Hanoi for your child/ren and our Welcome Team of faculty, parents and students are here to help in any way we can to ensure that your family settles into School and makes new friends in your new home!

UNIS Hanoi is an exceptional place to learn. We incorporate the ideals and principals of the United Nations into every day teaching and learning, as we strive to embody our School’s Vision: “Our learning community will be an inspirational role model for a better world.”

Our Welcome Programme is specifically designed to carefully guide you through the orientation process with a host of events and activities for our new families. We encourage you to attend as many events as you can and our staff, parents and student greeters will be happy to answer any questions you may have.

This special Welcome Edition of the Tin Tuc will serve as an introduction to UNIS Hanoi giving you essential information about programmes, activities available at school, key contacts, UNIS ‘Survival Lingo’ and much more!

In case you are wondering…Tin Tuc means news in Vietnamese and is our School’s newsletter delivered to your inbox every Friday.

Word to the wise: The best way to stay on top of what’s happening at our busy school is to read the Tin Tuc every week!
Dear Families New To UNIS Hanoi,

I would like to extend a warm welcome for the 2018-2019 school year. We are pleased that you have chosen to join our incredible community here at UNIS Hanoi and are looking forward to an excellent year continuing our commitment to our values of learning, community and responsibility.

This year, we anticipate a student body of more than 1100 students representing more than 60 countries. Our diversity is one of the hallmarks of our school and differentiates us from other international schools in Hanoi and across the region.

At UNIS Hanoi, our value of community is focused on forging positive, meaningful relationships within our community to support student learning. Our hope is that you sense this even before you arrive and that it will continue to be your experience throughout your time at our school.

Transition to a new school, can be simultaneously overwhelming and exciting. It is important for us at UNIS Hanoi to ensure that our new families feel welcome and that everything goes as smoothly as possible beginning with the initial inquiry and continuing through the beginning of the school year. To this end, we have an extensive Welcome Programme to support your transition to our school with a great team of people, including staff and student and parent volunteers. They are a fountain of information and are dedicated to providing you with the resources and support you need to make a smooth transition — please use them!

As a school, we are committed to creating an innovative learning environment that supports and enhances all students through our curricular and co-curricular activities. We invite you to engage fully with our programme and take advantage of the opportunities on offer to support the intellectual, social, emotional, and physical development of our students. Please do not hesitate to reach out to us to let us know how we can further support the transition of your child and/or their learning experience.

I look forward to meeting you at the new family orientation. Once again, welcome to our learning community at UNIS Hanoi!

Jane McGee

The Board at a Glance

On behalf of the Board of Directors, we are delighted to welcome our new families to UNIS Hanoi for the start of the 2018-2019 school year.

UNIS Hanoi is a not-for-profit private school that is governed by a Board of Directors and we would encourage you to find out more about the School’s governance on the UNIS Hanoi website.

In brief, we are nine voting Directors, three are appointed by the United Nations Resident Coordinator, two are elected by parents and four are appointed by the Board. The Head of School is an ex-officio Board member and a faculty consultant for the Board is appointed by the faculty. All voting directors are unpaid volunteers and this year, all are parents with children - most of whom study at UNIS Hanoi.

The Board meets regularly and the open community meeting dates are listed on the School Calendar and announced in the weekly school newsletter - the Tin Tuc which is distributed via email each Friday. Community members are encouraged to attend the community Board meetings which will occur on 13 November 2018 when we present the budget and the Annual General Meeting 7th May 2019.

More information is available on the school website www.unishanoi.org/boardofdirectors

Who’s Who

What we do

The Board has four roles:

• Developing and approving school policy
• Developing strategic plans, ensuring their implementation and monitoring progress
• Hiring, nurturing and evaluating the Head of School (the Head is responsible for the day to day management of the School)
• Ensuring the financial health of the School.

How you can get involved

The Board appoints a number of committees and task forces to carry out its responsibilities and achieve its annual objectives and goals. Committees and task forces bring together Board members, school employees and interested parents who can offer expertise and commitment to research, analyse and discuss the details of a particular subject in order to bring thoughtful and clear proposals for Board consideration. Committees and Task Force for 2018-2019 are:

• Executive Committee (Board Officers)
• Finance Committee (Board, Admin and Community Members)
• Committee on Directors (Board only)
• New Fundraising Task Force (Board, Admin and Community Members)

To find out more please contact the Board Administrator, Maeve O’Donovan: bodadministrator@unishanoi.org.

Nut and Allergy Aware Campus
UNIS Hanoi is a Nut and Allergy aware school. Students may bring nuts onto campus; however, we ask parents to be aware of harmful allergens that may trigger an allergic reaction in a student at school. We ask parents when preparing food that will be shared in a class party, that the food is clearly labelled with all known ingredients.

The school canteen prepares food without known nut products; however, some foods may contain traces of nuts.

Parents of students with known allergies are required to complete an Allergy Action Plan and or an Asthma Action Plan. Please visit the School Health Centre to discuss your child’s allergies, allergy action plan and medications.

SCO MISSION

To enhance and foster supportive partnerships throughout the school community in support of the UNIS Hanoi Mission
The School Community Organisation (SCO) is made up of all of us - every parent, faculty and staff member - an inclusive body that is led by parent volunteers. At UNIS Hanoi, the SCO aims to proactively build family-school partnerships. By sharing your time and talents and getting involved in your child’s school, all parents have the opportunity to enhance student-learning which is at the heart of all we do. For detailed news and updates please visit our website www.unishanoi.org/sco or email us at sco@unishanoi.org

Our vision is that UNIS Hanoi will be a leader in the region in the use of technology for learning. We believe that technology, when used appropriately, provides opportunities to support, engage, enhance and transform student learning.

UNIS Hanoi strives to create learning experiences where technology is integrated through all curriculum areas in the context of classroom learning. The school implements a 1:1 programme from Grades 4-12, with access to a variety of technology devices. From ECC to Grade 3, children enjoy the use of multimedia resources such as iPads, laptops and other mobile devices. We seek to equip the students with the skills and knowledge they need to learn and live productively in an increasingly digital world.

Below are some of the most useful tech websites for parents at UNIS. All of them are easily accessible under Quicklinks on the UNIS website.

### Technology 101
#### Online User Guide

#### UNIS Hanoi Website
The UNIS Hanoi website (www.unishanoi.org) is the primary information reference source for all families. You will find information about the school, its programmes and services, the staff and faculty directory, the school calendar, TinTuc (the school newsletter) and quicklinks to all the other key online resources you will need, as well as a host of useful information about moving to Hanoi and Vietnam. Your starting point should be the ‘Get to know your School’ webpage under Admissions and we encourage you to fully explore.

#### Veracross Parent Portal
At UNIS Hanoi we use Veracross as our primary School Information Management System. You will receive an email containing your username and password to our primary school systems. Parents can stay connected with your child’s education through our Veracross Parent Portal to access:
- Student classes and schedules
- School reports
- Parent teacher conference registration
- Family contact information (including emergency household contacts)
- Community directory
- MS/HS assessment calendar
- Recent messages from school
- Portal links to Handbooks / CHQ Activities / Library Catalogue / Tin Tuc and more!

#### Follett
UNIS Hanoi community members can browse our Library Catalogue collection of more than 35,000 multilingual prints and audio visual resources. In addition, on the library homepage (library.unishanoi.org) you will be able to access our online resources, including eBooks, eMagazines and academic purpose based subscription databases designed for learning from your own home! For more information about navigating through the online resources, please talk to our librarians.
Technology Orientation Q&A

We hope that our communications make it straightforward to access our systems. However, should you have any question, our Tech Support team are available to support students, faculty and parents. We offer Technology Sessions on Orientation Day and after the New Parent Welcome Coffee, at which a ‘guided tour’ of the systems will help orientate parents and specific questions or concerns can be raised.

Tech Hacks

Want some hands on support to sync your calendar, update family information in the Community Directory? Join our session:
February 19 (9.15 - 10.15)

Questions?

- For general Tech related questions, including Username and Password questions, contact our Tech Team: techsupport@unishanoi.org
- Questions regarding the website should be directed to the Advancement Office: Advancement@unishanoi.org
- For further information about our school information systems, contact Tran Ha Thu: smsis@unishanoi.org

Tin Tuc Newsletter

Every Friday our School’s weekly newsletter will be delivered to your inbox containing homeroom blogs, news from the Head of School, upcoming events and more consolidated into this weekly news source.

Don’t miss out on key events! Read your Tin Tuc weekly!

PowerSchool/Haiku

PowerSchool Learning (otherwise known as Haiku) is our Learning Management System, a space used primarily by MS and HS students and teachers for shared class resources, communications and daily work. Students are able to go to a single place to see information for all of their classes, and parents are able to go to a single place to see information about all of their children.

Campus Cards

All students, faculty, staff and parents are issued with a smart card which is linked to our cafeteria, library and security systems. You are required to wear the Campus Card for entry and at all times when on campus.
Welcome to the UNIS Hanoi Co-Curricular Programme – a dynamic and ever-evolving programme designed to offer a wide range of opportunities for the children and young adults of our school community. We aim to inspire our students to actively engage in purposeful activities beyond the classroom to develop skills, to become life-long learners and responsible world citizens. In addition to our comprehensive co-curricular offerings for UNIS Hanoi students, our office supports several community programmes for members of our extended community.

On these pages we hope to give you an introduction and brief outline of the options. The Activities Team will be distributing more detailed information in the coming days and weeks and there is detailed information about all these Activities on the website (www.unishanoi.org/co-curricular).

Please don’t hesitate to stop by the Activities Office in Building 8b (room 102) where a member of the team would be happy to discuss or answer any questions. Additionally, you can contact the office by emailing cocurricular@unishanoi.org, the specific email addresses listed on page 15 or by calling 02473004509.
Co-Curricular Offerings

UNIS Hanoi provides a wide range opportunities for our students to support our holistic educational programme. The foundation of our co-curricular offerings is our After School Activities (ASA) Programme where we offer students from K1 through Grade 12 the opportunity to investigate areas of potential interest, improve skill sets, and interact with like minded individuals outside of their immediate peer group. The offerings vary from year to year as teachers, parents and professionals from our community apply their expertise and enthusiasm to develop unique opportunities for students. These activities are wide-ranging and generally fall into one of five categories:

- Visual and Performing Arts - Ceramics, Contemporary Dance, Glee Club, School of Rock
- Academic Pursuits - SAT Prep, The Spark (MS Newspaper), The Flame (HS Newspaper), Math Challenge, Gardening Club
- Technology - Coding Club, Computer Club, 3D Art, Robotics
- Sports and Movement - Learn to Swim, Running Club, Offseason Volleyball, Indoor Games, Tennis Club
- Social/Cultural - Korean Club, Board Games, Cooking Club

Building upon what our ASA programme offers, we support a variety of programmes requiring a higher level of commitment, but offering a deeper understanding as well as more opportunity to enhance skill sets. Sports teams that represent our school at events ranging from festivals to high-end competitions and tournaments are available at developmentally appropriate levels from Grades 4 to 12. The Arts offerings provide students the opportunity to develop and nurture their growing talents through innovative and creative experiences, and age-appropriate leadership opportunities are available to UNIS Hanoi students in elementary through high school.

Activities Organisations – APAC, MRISA, HAC

UNIS Hanoi is a member of three activities organisations. Locally, UNIS Hanoi participates the Hanoi Activities Conference (HAC) which supports various opportunities for our students in grades 4 to 12. Internationally, Asia Pacific Activities Conference (APAC) and the Mekong River International Schools Association (MRISA) provide UNIS Hanoi students opportunities to represent the school and work collaboratively with other international schools in both sports and performing arts festivals. These events involve our students travelling to and being hosted by other international schools. We also host exchanges ourselves on a rotational basis. UNIS Hanoi hosting responsibilities for 2018-19 in these organisations are: APAC Choir, APAC Soccer and MRISA Volleyball.

Community Programmes

Community Programmes at UNIS Hanoi offer resources to support the development of a sense of community and to build a connection to our host country. We consider students, their families, our faculty and staff as our core community, but our sense of community extends far wider than that including; our local Hanoi community, our host country, our alumni and our international peer school community. We hope to both support and engage our community through the following avenues: Community Classes & Workshops, UNIS Music Academy, UNIS Aquatics Academy, UNIS Tennis Academy, Energize, Saturday Soccer, Sports & Activities, Summer Programme and making available for hire select recreation facilities.

If you have a skill to share or would like to receive our notification email regarding new community programmes, please contact our Community Programmes Officer, Ms Ha Thien Ha, at communityprogrammes@unishanoi.org

UNIS Hanoi Academies

The purpose of United Nations International School of Hanoi academies is to provide additional specialised instruction to UNIS Hanoi students in support of our curricular and co-curricular programmes. Additionally, UNIS Hanoi academies provide options for our parents, faculty, and staff to improve their skill set in their chosen activity. In some cases UNIS Hanoi academies extend programme options out to the greater community.

UNIS Music Academy

The UNIS Music Academy (UMA) is a wonderful resource for all our students, parents and staff to learn a new instrument, to train their voice or to develop their musical talents by working directly with gifted musicians. The Academy teachers are members of the Vietnamese Symphony Orchestra, professors from the National Music Academy and local expatriates. Lessons are given on weekdays after school or on Saturday mornings. Students will also be able to showcase their talents and what they have learned during one of the UMA concerts organised at various times throughout the year.

UNIS Aquatics Academy

UNIS Aquatics Academy (UAA) provides a wide range of swimming programmes for members of the UNIS community as well as the wider Hanoi community. For UNIS Hanoi students, swim lessons, water polo and competitive swimming are offered after school. Through the Community Programme, lessons and competitive swimming for adults and students are offered to the Hanoi community. The Aquatics Academy promotes safe and enjoyable swim opportunities taught and coached by well trained instructors.

UNIS Tennis Academy

UNIS Tennis Academy (UTA) aims to introduce the lifelong sport of tennis through the offering of a fully inclusive and diverse coaching programme. Tennis is a fantastic sport offering physical fitness, and development of many life skills and challenges. Our goal is to get you “playing the game” as soon as possible and to be able to join the regular social, fitness and competitive opportunities on offer. Whether you are a beginner, or seeking to elevate your level of play for competitive opportunities, the UNIS Tennis Academy has offerings for you.

Saturday Soccer

Saturday Soccer stemmed from the UNIS Hanoi Community Programmes, meeting the needs of soccer players from ages 4 to 15. It is an inclusive programme for all boys and girls from the Hanoi community. Saturday Soccer offers players of all levels the opportunity to learn the fundamentals of soccer, meet new friends from Hanoi, experience teamwork and cooperation and build self-confidence. Our volunteer parent coaches are the backbone of the programme who freely give their time to the programme.
If you or your children are interested in being part of the UNIS Hanoi Saturday Soccer Programme either as players or as a volunteer coach, please contact our Saturday Soccer Coordinator, Dan Snedden at saturdaysoccer@unishanoi.org.

**Energize**

Energize is an opportunity for the UNIS Hanoi community – parents, students, staff and their spouses to use our recreation facilities outside of school hours. Members are entitled to use both the swimming pool and fitness room, staffed by a fitness instructor.

To become an Energize member simply apply online at www.unishanoi.org/energize

**Summer Programme**

Every summer UNIS Hanoi provides a Summer Programme when the academic year has finished for its students and the community. For 1 – 2 weeks students participate in fun learning combining science, technology, performing arts, sports activities and lots more. The Programme also provides outstanding leadership experience for our students who work alongside the administration, organising and delivering fun packed sessions. Registration for the 2019 Summer Programme will be announced in Spring.

The Service Learning Programme

The Service Learning Programme at UNIS Hanoi is central to our Mission and Guiding Principles and is firmly embedded in both Curricular and Co-Curricular activities from Elementary through to High School.

There are scores of opportunities for our students of all ages to become more closely involved with the Vietnamese community including organising fundraising events, teaching swimming, planning and running activities for children at orphanages, visiting local communities, highlighting specific issues and distributing microloans.

The Service Learning programme offers a wide variety of choice for students at UNIS Hanoi. Students engage in a structured process of investigation, planning, action (through trips and visits), reflection and celebration. At both MS and HS levels, Service Learning activities are grouped by concept. Broadly speaking, these correspond with the United Nations Sustainable Development Goals. Students explore specific concepts as they apply to the local Vietnamese context.

For all students, Service opportunities exist both within the school day linked to curriculum units and after school or on weekends.

UNIS Hanoi Service Learning Vision

By addressing real and authentic community needs, the Service Learning programme at UNIS Hanoi aims to provide opportunities for our students as individuals, and as part of the UNIS Hanoi community, to gain a deeper understanding of themselves, their community and their world.

Our Service Learning programme aims to provide opportunities for our students to develop the knowledge, skills and outlooks required to play their part in creating a fair, inclusive and cohesive society and to encourage them to drive and inspire sustainable change.

For more information and questions about the programme, contact the Service Learning Coordinators, Collin Campbell: CCampbell@unishanoi.org (MSHS) and Kristi McEwen: Kmcewen@unishanoi.org (ES)
Advancing UNIS Hanoi

UNIS Hanoi Scholarship Programme

The UNIS Hanoi Scholarship Programme was launched to celebrate the School’s 25th Birthday in 2012-2013. It gives the opportunity for Vietnamese students from low income families, who are excelling at their local Hanoi public school, to enter UNIS Hanoi in Middle or High School with a full (100%) fees waiver until graduation.

We are proud that our scholars have graduated to attend their first choice universities with 100% scholarships, and one scholar achieved a perfect IB Diploma score of 45. Six Scholarships are funded through the School’s operating budget and three are funded through community fundraising.

You can find out all about the programme on the website: www.unishanoi.org/scholarshipfund

Birthday Gift Fund

The Birthday Gift Fund supports sustainable Service Learning projects which engage students and build community in partnership with local groups.

Birthday Gift Fund Projects:

- **ENGAGE UNIS HANOI STUDENTS** in genuine and reciprocal learning experiences
- **BUILD COMMUNITY** and meaningfully strengthen the School’s relationships with the local community over time
- **ARE SUSTAINABLE** for both for the community the project aims to support, and for UNIS Hanoi.

The Fund was created as part of the celebrations for the School’s 25th Birthday to give a gift back to our host nation. It continues to give back through our Service Learning programmes every year.

To find out more about any of our programmes please contact our Director of Advancement, Emma Silva: doa@unishanoi.org

Empowering Our Vision!

The Advancement Programme at UNIS Hanoi has a single purpose - to ‘advance’ the Mission and Vision of the School.

The Programme is designed to empower and support the School’s Strategy 2020 – a long term plan for the School’s future – through the areas of:

1. Communications and Storytelling
2. Institutional Reputation Management
3. Community Building (parents, alumni and local community)
4. School Philanthropy and Fundraising

The Advancement Team supports many projects and activities at the School including the website, social media and magazine publications, and community events such as our global alumni reunions and the highlight of the year - UN Day (this year celebrated on Friday November 30).

In addition the Advancement Team coordinates fundraising in support of school programmes, namely The Scholarship Fund and the Birthday Gift Fund (supporting Service Learning with our community).

Transport Information & School Buses

UNIS Hanoi contracts transport companies to provide daily travel to and from school.

Buses arrive at the school campus each morning at approximately 8:00 am and depart from school at the following times and cannot wait for late students:

**Mon-Tue-Thu-Fri**
- 1st bus leaves Campus at 15:40
- 2nd bus leaves Campus at 16:40 (For students who have Co-Curricular activities after school)
- 3rd bus leaves Campus at 17:45 (For students who have Co-Curricular activities after school)

**Wed**
- 1st bus leaves Campus at 14:45
- 2nd bus leaves Campus at 15:40
- 3rd bus leaves Campus at 17.00

The detailed Bus Regulations are posted in full on the School website under Community Life (www.unishanoi.org/transport) as well as on the Starting School Resource Centre where you will also find the Bus Request Form for completion.

Please note that bus services cannot be provided on a route where there are less than 7 students requesting the service and the bus service cannot deliver every child to an individual address. The school reserves the right to cancel any bus route service with 6 students or less.

The school will provide a late bus during After School Activity (ASA) sessions and during the sports seasons arranged by the Co-Curricular Activities Office only. This may affect students in Mother Tongue or UMA make-up classes as these lessons may continue throughout the academic year when ASAs and sports are not in season, parents will need to arrange transportation for their children during this period separately.

Bus monitors are present on every bus route and are there to help protect your child’s safety. We expect all students to follow their instructions and to be respectful and courteous at all times.

**Cars and Motorbikes on Campus**

Families who wish to be on campus with a car and/or motorbike (including drivers and house staff) must complete the online permit application form which is submitted to the Operations Office.

The link is available from the website, either from the Transport page under Community Life.

Our primary concern at all times is the safety of your child(ren). Please be sure to read carefully and follow the rules concerning cars and motorbikes on campus.

For any questions, contact the Transportation Service Manager, Mr Lai, at transportmanager@unishanoi.org or call 091 876 7755
