

## Information for New Families

Welcome to the UNIS Hanoi Community! Here is some practical information to help your family smoothly transition into your new school.

### Starting School

On **Orientation Day** your family will be provided with a Welcome Folder containing:

- Personalized welcome letter
- Your child/ren's homeroom teacher
- House Animal placement (House Animals are used for competitive sporting events to foster team spirit)
- Family Campus Cards
- School Information Systems login details
- Calendar
- Newsletter

On Orientation Day, your family will have the opportunity to visit school information tables and complete practical tasks such as purchase PE/House shirts and load money onto Campus Cards to purchase food from Cafeteria.

Class schedules will be provided on the first day of school.

[School hours/Calendar](#) available here.

[School Bus Information](#) is on the website and Bus Request Form are collected during Orientation.

### Elementary School Programme

The [ES Handbook and Grade Level Guides](#) include detailed information about the Elementary School Programmes including: important contact information, school procedures and curriculum guides.

#### Items to bring to school

## [School Snack and Lunch Options](#)

### **Cafeteria**

General information about the School Cafeteria, including weekly menus and pricelists, is available on the [website](#).

### **Elementary School students**

Snacks – Parents are required to provide a daily healthy snack for morning break time.

Lunch – Parents may choose to prepare food from home or purchase lunch from the school cafeteria.

- ECC lunches provided by the canteen are on a “set menu” basis and are delivered to the ECC children to eat in their classrooms.
- Discovery and Kindergarten 1 students – lunch is included in school tuition.
- Kindergarten 2 students that register for cafeteria lunch will be charged a lunch fee.
- To register for ECC lunch contact the cafeteria at [eat@unishanoi.org](mailto:eat@unishanoi.org).
- Grades 1 – 5 lunch takes place in the cafeteria where students can heat their meals from home or choose between Asian, Western or Vegetarian set menus.
- Cash can be loaded onto Campus Cards in person at cafeteria or via [Campus Online](#). Note: Cash on Campus Cards is shared in a family account.

### **Middle and High School students**

Snacks – Students have access to the cafeteria deli during break periods or can bring snack from home.

Lunch – Students can prepare food from home or purchase meals from the cafeteria.

### **Nut and Allergy Aware Campus**

UNIS Hanoi is a Nut and Allergy aware school. Students may bring nuts onto campus; however, we ask parents to be aware of harmful allergens that may trigger an allergic reaction in a student at school. We ask parents when preparing food that will be shared in a class party or other UNIS Hanoi events, that the food being provided, is clearly labelled with all known ingredients.

Parents of students with known allergies are required to complete an Allergy Action Plan and or an Asthma Action Plan. Please visit the [School Health Centre](#) to discuss your child's allergies, allergy action plan and medications.

## [Co-curricular information for new families](#)

We consider [Co-Curricular Activities](#) to be essential for every student's development. We have a dynamic and ever-evolving programme designed to offer a wide range of opportunities for the children and young adults of our school community.

- A wide range of co-curricular programmes are available to all students enrolled in Kindergarten 1 and above. Detailed information will be communicated to all families prior to the opening of registration.
- The [Community Programme](#) and [Saturday Soccer](#) offer opportunities for both children and parents to participate in programmes that involve participants from the greater Hanoi community.
- All UNIS Hanoi families can access the fitness centre and swimming pool by joining the Energize members club. Please see the [Energize](#) page for information along with the [application form](#).

- The [UNIS Music Academy \(UMA\)](#) offers students opportunities to have specialist lessons either after school or on Saturday mornings. Students may rent instruments through the programme. For more information about music lessons, please contact the Music Academy directly at [umaofficer@unishanoi.org](mailto:umaofficer@unishanoi.org).

## Parent access to Information Technology at School information

UNIS Hanoi uses a wide range of technology to support student learning. [TechConnect](#) has many resources for both ES and MSHS parents to help you and your child successfully use technology at school. Please take a look at our [Tech Handbook](#) for information about the Technology Programme.

We have created UNIS Guest access to allow personal devices to be linked to our WIFI (Username: **wifi** Password: **1234**). Guest bandwidth is limited and shared among all guests using the network as we reserve most of the bandwidth for teaching and learning.

Families are welcome to utilize the library catalogue and resources to borrow books or access the school information network. Parents will be provided with usernames and passwords which will enable direct access to information on Veracross (used for student reports and conference registration), CHQ (for after school activity signup) and Campus Online (to load cash onto Campus Cards to purchase cafeteria food).

There will be Tech Training Sessions for parents on Orientation Day to assist with introductory training on using these key applications within the school and we highly recommend all parents to attend a session.

## Our Community

**“Our learning community will be an inspirational role model for a better world”.** This is the guiding Vision driving UNIS Hanoi. The connectivity between the school and families within our community is an essential partnership that leads to powerful learning. There will be many opportunities for you to get involved in school and community life at UNIS Hanoi throughout the academic year and we expect parents to actively participate in the school you have chosen for your child.

We also have a very active parents and teacher group, the School Community Organisation (SCO), they will welcome you on Orientation Day, help with your transitional questions and arrange useful events for new families to get to know the community.

Parents can also share their knowledge and talents with the UNIS Hanoi Board of Directors. There are many committees and task forces which can use your expertise in the areas of Finance, Campus Development, Advancement, etc. Contact the [Board Assistant](#) for further or see the Board pages of the [website](#).

You will receive plenty of information once the school year starts, but if you have any questions regarding anything at all please don't hesitate to contact Nathalie Grun, the Community Liaison Officer, in the Advancement Office (Building 7) at [clo@unishanoi.org](mailto:clo@unishanoi.org), who is here to help you through your transition.
