Our young global citizens are curious, compassionate and confident to take action against issues confronting humanity; bold in the face of complexity and resilient in an uncertain world. We are a learning community that cares enough to create a better tomorrow. Starting today. Together.

UNIS Hanoi is an exceptional place to learn - It is the ideals and principles of the United Nations in action every day! We are a learning community that celebrates cultural diversity, unleashing the creativity and innovation that comes from bringing the world together on one campus.

We are committed to every child's happiness and believe that it is the quality of relationships within that community that empower exceptional learning.
